Minutes of the meeting of the 92nd Steering Committee of Departmental JCM (Level II) held on 10 Oct 2017 under the chairmanship of Joint Secretary(PG/C), MoD

The list of participants is at Annexure-I.

2. Chairman welcomed the delegates of the four federations/ confederation of Civilian employees of the Defence organisations/ establishments along with the official side at the 92nd Steering Committee Meeting. He advised the representatives of the federations to make best use of the forum to settle the pending issues and focus their presentations on such matters that are specifically in the remit of the Ministry. He requested the staff side to make their opening statements, before taking up the items placed on the agenda.

Opening Statements - Staff side

3. Leader, Staff side thanked the Chairman for convening the Steering Committee meeting to address the long pending issues of the defence civilian employees. He gave an overview of the JCM Scheme and drew attention to the fact that at all levels; the meetings with the JCM are not being convened by the official side as per periodicity prescribed in the JCM Scheme. This has led to accretion of issues concerning the service matters / working conditions of the staff, and causing frustration and exasperation amongst the employees. This position has been aggravated because of non-functioning of the additional mechanism, established to reduce the burden on JCM Forum viz: holding of periodical meetings by the respective Joint Secretaries in charge of various administrative Wings to address the issues pertaining to their domain.

4. Leader, Staff Side and General Secretaries of all Federations/Confederation made their speech points in the opening remarks which in detail are enclosed at Annexure-II.

Shri C. Srikumar, General Secretary, AIDEF & Leader Staff Side.

1) Issues and problems are getting accumulated, since the additional mechanism constituted by the MoD is not at all functioning even after a period of 2 years of the formation of the additional mechanism with the approval of Defence Secretary. Activation of this mechanism will reduce the burden on JCM. Therefore this mechanism needs to be activated.

The same issue has also been raised by Sh. R. Srinivasan, General Secretary, INDWF & Secretary, Staff Side.

Decision :- It was decided that instructions would be issued to all the Joint Secretaries of MOD to hold the meetings of the Additional Mechanism regularly as already approved by the Defence Secretary.

Action: D(JCM)

2) DDP has outsourced 143 items to the Private Sector which are being manufactured in the Ordnance Factories. This decision and another proposal of outsourcing 39 more items of OEF Group of Factories and also PPP Model will result in a big question mark about the future of more than 25 factories including VFJ, Small Arms Factories and OEF Group etc. After 36 days of Relay Hunger Strike the Secretary DP invited AIDEF for a discussion only on the 36th day of Relay Hunger Strike. However there is no fruit full result. Recently the staff side has come to know that the Govt. is considering a proposal to corporatize the EME Workshops and the work being performed by the EME Workshops are going to be handed over to L&T and other private companies. Similarly the Commandants of Various Depots under OS Directorate including Vehicle Depot Panagarh and OD Cheoki (Allahabad) has informed the workers that the Depot is going to be dismantled and option may be given for their transfer/posting. This is against the assurance given by the Ministry of Defence to the Federations in the past. Any such move will be opposed by the Employees and hence such decisions, if any should not be implemented in the interest of National Security. AG's Branch Army HQ vide letter-dated 6/10/2017 has issued a circular by which 31,012 civilian employees of EME, OS, MES Military Farm etc are going to be rendered surplus. These arbitrary decisions may be withdrawn and there should be separate meeting with the Federations in this regard.

Decision :- The entire issue will be discussed as an agenda item in the next meeting of the Departmental Council (JCM) meeting chaired by Defence Secretary.

Action : D(Coord/DDP)/D(Estt.NG)

3) Due to acute shortage of manpower, fluctuating workload, late arrival of raw materials, components, tools etc Ordnance Factories are forced to work OT on Sundays in lieu of

---

**ANNEXURE-II**
holidays. Moreover OT wages has been a part and parcel of the pay packet of the employees for more than 6 decades and hence OT cannot be stopped without compensating their wages. A part from this OFB will not be able to meet the allotted target and there will be a shortfall of more than Rs. 2250 crores during the current production year. Therefore DDP may reconsider its decision in this regard.

Action : D(Coord/DDP)/D(Estt.NG)

4) JCM III level Meetings are also not taking place regularly. In the past DRDO JCM III level council used to function effectively. Now for the past more than one year there is no meeting of the JCM III level Council. Instructions may be issued to hold the JCM III meetings of all Directorates as per the time schedule given in the JCM scheme.

Action : D(R & D)

5) MoD has issued instructions stating that the category of OS is not eligible for participating in Trade Union activities, even though there is no bar for OS in the Trade union recognition rules. The affected employees have approached Court of Law and obtained stay order against the MoD’s instructions. It is once again requested that OS and Chargeman category which are not having any Managerial or Administrative power should be allowed to participate in Trade Union activities, since they are very much within the definition of “Workmen” under the ID Act, 1947.

Action : All concerned HQ/Orgns

6) The issue of Federations changing their nominations in the JCM Councils is still remaining unsettled. Since the Stay order of the Madras High Court is only pertaining to the JCM IV level Council of HVF Avadi, and it is now understood that the CGSC Madras High Court has given legal opinion that the stay order is applicable only to IV level JCM of HVF Avadi. Since MOD has received the legal opinion the issue may be settled as demanded by the AIDEF. Moreover HVF Avadi also is having IR problems, since JCM IV level is not functioning for more than 7 years, efforts may be made to get the ‘stay’ vacated.

Decision :- Legal opinion of the Central Government Standing Counsel, Madras High Court has been received in the MOD. According to this the stay order is applicable only for IVth Level JCM and hence further Action will be taken to reconstitute the JCM 3rd and 2nd Level Council.

Action : D(JCM)

7) AIDEF is repeatedly representing for one time relaxation of LTC-80 in the case of the employees who have availed LTC-80 by purchasing Air Tickets from unauthorised agents. At present the DOP&T has given such a relaxation to one employee of DRDO,
since the affected employees of Ordnance Factories and DRDO etc., are similarly placed the benefit given to one employee may please be extended to the similarly placed employees.

The same issue has also been raised by Shri Mukesh Singh, Secretary, BPMS.

**Decision :-** The matter will be once again considered by the MOD in consultation with DOPT.

**Action :** D(Estt./NG)

8) The demand for grant of compassionate appointment to the wards of Defence Civilian employees by granting one time relaxation of the ceiling limit of 5% may be considered by the MoD favourably.

The same issue has also been raised by Shri Mukesh Singh, Secretary, BPMS.

**Action :** D(Lab)/ D(Estt./NG)

9) Thanked the MOD for issuing orders for granting four grade structure to the Ammunition Mechanics of Navy at par with the workshop Staff of MOD. For extending the benefit to the concerned employees a one time relaxation of all conditions of promotion may be given as already given in the case of other Workshop Staff of MOD during 14/06/2010.

**Decision :-** It was decided that NHQ will forward a proposal to the MOD for one time relaxation of the conditions given in the RR for implementing the promotions based on the MOD order dated 6/10/2010 for the first time.

**Action :** D(Civ-I)

10) As provided in other Ministries/Departments an office with furnitures, telephone etc was provided to the Staff Side of the Departmental Council JCM of MOD adjacent to the D(JCM) Section in Sena Bhawan. During the year 2010, in the name of renovation of Sena Bhawan the office was temporarily withdrawn with the assurance that the same will be given back to the Staff Side after the renovation of Sena Bhawan. However the office was not yet provided to the Staff Side even after raising the issue in the last Departmental Council (JCM) meeting held under the Chairmanship of Defence Secretary. The said Office may be given back to the Staff Side.

**Action :** DS(Genl/IT)

11) Promotions/ DPCs are not taking place in the units on the plea of Hon’ble Supreme Court judgment and DOP&T instructions with regard to promotion of reserve candidates to general vacancies. Neither Supreme Court nor DOP&T has stayed the DPC or Promotion. Employees are retiring without their due promotion. MOD may kindly clarify the position.

**Action :** D(Civ-I)
12) In violation of the Government approved formula PLB days of OFB and EME is being reduced arbitrary by Department of Expenditure every year. A concrete case with the approval of Hon’ble RM may please be taken up with the Department of Expenditure for getting their approval for the payment of PLB as per the formula and as approved by the Hon’ble RM.

Action : D(Estt./NG)/D(JCM)

13) Civilian employees and pensioners are not getting many items from the CSD canteens. There is a short supply of essential items which is creating hardship to the employees and pensioners. Dependent of the pensioners may also be allowed to purchase items from the CSD canteen.

Action : D(Mov)

14) The case of Armourer of 506 Army Base Workshop, Jabalpur is pending with MoD and EME Headquarters. The outstanding issue may be settled and no recovery may be made to the employees as per the Department of Expenditure guidelines.

Action : D(O-II)

15) The Team of officers and Staff in the CP Division under DS (CP) Shri Anil Kumar is functioning in a proactive manner for settling the issues and problems represented by the Staff Side and Federations. At this juncture Shri Anil Kumar is being transferred to a higher post to Ministry of Health. We congratulate Shri Anil Kumar and would like to place in record about his excellent service as DS (CP) and also as the Member Secretary of the Departmental Council (JCM). It is requested that the good system of forwarding the circulars, Government orders, instructions, minutes etc through e-mail to the Federations and Staff Side may be continued which will go a long way for maintaining employer-employee relationship in a harmonious manner.

Action : D(JCM)

Shri M.K. Ravindran Pillai, JCM Member, AIDEF

1) The reputation of one of the premier DGQA Establishments i.e, CQAL, Bengaluru is being maligned by certain vested interested group placed at DGQA. Fact finding Inquiries are being ordered on the basis of anonymous and pseudonymous complaints. The CQAL is an establishment registered under the Factories ACT, 1948. Efforts are being taken to deny the benefits of the Factories Act 1948 to the employees of CQAL. This issue may be brought to the notice of Secretary DP.

Action : D(QA)

2) The Cadre restructuring proposals of various cadres of DGQA was approved and orders were issued on 16th Feb, 2016. Even after a period of 17 months, the Cadre Restructuring is not implemented, thereby denying the benefit given to the employees by the Govt. Directions may be given to DGQA to implement the Cadre Restructuring immediately.
3) Considering the strength of employees and pensioners, steps maybe taken to establish a CGHS Dispensary in DGQA Residential complex at Bengaluru by allotting a building or vacant land at CQAL complex.

Action : D(Civ-II)/D(OA)

Shri R. Srinivasan, Gen. Secy., INDWF & Secretary, Staff Side

1) Important and urgent issues needs to be discussed are:

a) MoD, DDP letter dated 24.07.2017 declaring core and non-core items on Ordnance Factories decided by DDP.

b) Restrictions on working overtime in Ordnance Factories.

c) Closure of Military Dairy Farms resulting in surplus of manpower.

d) Closure of certain Ordnance Depots and CODs under AOC Directorate.

e) Certain Army Base Workshops and EME Base Workshops privatization.

All the above decisions of MoD were not discussed with Federations and MoD took decisions affecting the interest of Defence civilian employees. Employees organizations are kept in dark. The above issues need to be discussed with the Federations in order to protect the interests of the Defence civilian employees.

Action : D(Estt./NG)/D(QS)/(O-II)

2) Cadre re-structuring was done after 5th CPC w.e.f. 20.05.2003 and after 6th CPC w.e.f. 01.01.2006. The vacancies are to be worked out based on the sanctioned strength/authorized strength of each CWEs and not on the existing strength whereas under E-in-C's Branch year-wise vacancies are not filled regularly. Vacancies are pending for 304 years due to not holding DPC. Further under Central Zone, ceiling was imposed on the strength under Jabalpur Zone and Barely Zone due to which the promotional posts are reduced. This needs to be reviewed and the year-wise vacancies are to be filled year-wise without backlog.

Action : D(Works-II)

3) Ammunition Mechanic is an Industrial trade. But grade structure was not granted for them and they remain only up to HS-II grade. This was represented by Federations to grant 4 grade structure for Ammunition Mechanics in Navy under Naval Armament Depots. Now, it is sanctioned. We request while implementing this order, one time relaxation needs to be granted in respect of Trade Test and residency period as was done in 20.05.2003 and 01.01.2006 to fill the vacancies of HS-I and Mastercraftsman.

Action : D(N-II)
4) Temporary Service Casual Labour employees pay was revised after 6th CPC during August, 2008. But after 7th CPC still their pay is not revised and they are paid in 6th CPC. This may be taken up with MoF for issuing orders to grant pay on 7th CPC scales.

Action : D(Civ-II)

5) Teachers of Ordnance Factories Schools are purely Central Govt. Defence civilian employees like teachers of Sainik Schools run by MoD. Teachers of the Departmentally run Ordnance Factory Schools have been governed by instructions No. 5(2)/88/I/D(Fy-II) dated 02.02.1989 issued by MoD applying the recommendations of Chattopadhyay Commission effective from 01.01.1986. Their demand to switch over to MACP scheme as approved by DOP&T should be considered.

Action : D(Estt./NG)

6) Federations and AG's Branch reached a settlement in order to resolve the disputes arising among the affiliated Unions in Defence under Army and circulars were issued vide AG's Branch letter No. 32526/MP-4(Civ)(c) dated 03.11.2006, according to which, in cases where one trade union affiliated to a Federation splits into two or more factions within Federation. In such cases the faction approved and recognized by the concerned Federation should be accepted by the Administrative Authorities concerned. This is not followed in AOC Directorate despite our representations and AG's Branch Directives to AOC Directorate. This needs to be adopted and followed.

Action : D(O-II)

7) He thanked MoD and Naval HQ for paying the ex gratia and liberalized pension to the families of the victims of AN 32 Aircraft accident. He requested to grant compassionate appointments to the families of the victims.

Action : D(Lab)/D(N-II)

8) SROs Draft when prepared by the Line Directorates views of the Federations also needs to be obtained. Certain Directorates obtain but some are not taking the views of Federations. This needs to be followed regularly.

Action : DG (CP), Army HQ

Shri H.N. Tiwari, INDWF

1) The rate of payment for the duty performed by the Security & Fire Staff, CQA(GS), Kanpur on public holiday which is being paid @ Rs.81/- per day based on 4th CPC time. This issue was raised several times at the various level of the JCM forum and also at the visiting VIPs like DGQA & ADGQA (Stores) meeting at DGQA Complex, Kanpur but no effective action could be taken till date and the same Rs.81/- per day is being paid to the effected employees.

Action : D(QA)

2) In the similar grade pay there are different residency period which is unjustified and injustice committed to the employees of the DGQA Orgn. The details are given below :-
<table>

It is surprising to note that the residency period from Storekeeper to Sr. Storekeeper is 05 years, whereas in other grade in the same grade pay is 08 years. It is therefore requested that such matter may be taken with DOP&T for uniform residency period of 05 years in the same grade pay in DGQA Orgn.

**Action:** D(QA)

3) In all CWEs under E-in-C’s Branch, several posts at the level of Skilled/HS-II/HS-I are vacant due to non-holding of DPC and the employees are ineligible for their promotion, but due to delay in holding the DPC, these posts could not be filled and the affected individuals are being retired without getting their promotion. The E-in-C’s Branch is therefore requested to issue necessary instructions for holding an early DPC by the CWEs under their control.

**Action:** D(Works-II)

4) The Board Proceeding of Departmental Selection Committee w.e.f. 01.01.2006 to 14.01.2010 of Tradesmen for the promotion of MCM in the EME Dte assembled at Base Workshop group EME Meerut is still pending with DG:EME. IHQ of MoD (Army) EME Civ(C-4), since last one year for approval by the competent authority. No promotion has been done for MCM in EME Dte since the year 2008, therefore, the Tradesmen are suffering hard for promotion. Expediteous action in the matter is requested.

**Action:** D(O-II)

5) Several additional posts in respect of Clerical, Storekeeping, Scientific, Technical and other Cadre are sanctioned under Cadre Review proposals in DGQA Orgn about one year and six months back, but the DPC for these promotional posts could not be held till date in spite of various requests made in the III Level JCM Council, DGQA and other forum also. It is pertinent to mention here that the employees are eligible and posts are available but it is unfortunate that employees are retiring without getting their promotion. Necessary instructions to hold an early DPC Meeting may please be issued to the DGQA Dte so that the DPC could be held without any further delay.

**Action:** D(QA)

6) The Works Committee elections in GE, Fatehgarh (U.P.) is over delayed since the last Works Committee elections were held in the year 2008 and under the provisions of Industrial Dispute Act, 1947, the elections were due since the year 2010. The GE, Fatehgarh was requested several times without any positive response on the subject. Necessary instructions to hold the Works Committee Election in GE Fatehgarh may kindly
be issued so that the provisions of the Industrial Dispute Act, 1947 are properly implemented.

Action : D(Works-II)

7) Several retired Govt. employees who have been issued CSD card but they are not capable to purchase the CSD items due to their extreme old age as well as sickness. Therefore, one Attendant under AO 74/75, 120/80 and 32/84, may be allowed on sympathetic grounds so that they may get relief in their old age.

Action : D(Mov)

8) Under the provisions of Industrial Dispute Act, 1947 two members are to be nominated from elected Depot Works Committee to JCM-IV Level Council of the Establishment, but in COD Cheoki, Allahabad elected Depot Works Committee has not been allowed to nominate 02 members from the Depot Works Committee to JCM IV Level Council of the Establishment under the provisions of ID Act, 1947. The Commandant, COD, Cheoki, Allahabad rather follow the provisions of ID Act on the subject, referred the matter to Adjutant General Branch, AG/MP-4 for further clarification.

It is surprised to note that during 2015, when in the Depot Works Committee, COD Cheoki elections opposite Union's representatives were elected, then they were allowed to nominate 02 members to JCM IV Level Council without referring the case by the same Commandant. The Chairman is requested to kindly issue necessary instructions to the Commandant, COD, Cheoki to follow the provisions of the ID Act on the subject and thus 02 members of the elected Depot Works Committee should be allowed to nominate to IV Level JCM Council, COD Cheoki to represent the directly elected employees so that the Industrial relations could be maintained in the Depot.

There are so many Organisations under Govt of India which are recruiting the Group ‘C’ & Group ‘B’ Non-Gazetted posts through SSC. Another way of recruitment is suggested through centralised system of a particular Organisation. Chairman of the Steering Committee of MOD JCM Council is requested to consider above and allow recruitment either through SSC or any centralized recruitment system. This will be more justified and transparent and merit will prevail in the recruitment process.
