MINISTRY OF DEFENCE
(Acquisition Wing)

Subject: Defence Procurement Procedure (DPP)-2008 Amendment-1
Instructions regarding Para 28.

Following amendment has been incorporated in the DPP-2008:-

2. Existing Para 28 of Chapter-I (`Buy' and `Buy & Make' categories)
has been modified as under:-

28. **ToT For Maintenance Infrastructure.** The provision of ToT to an
Indian Public/Private firm, for providing Maintenance Infrastructure,
would be applicable for `BUY' category cases, where equipment is being
bought from foreign vendors. The decision to apply this clause would be
debated in the SCAPCHC meetings on a case to case basis and approved by
DAC. In such cases the foreign vendor would have to identify an Indian
firm which would be responsible for providing base repairs (third line) and
the requisite spares for the entire life cycle of the equipment. The Indian
firm to be selected would be from a list of public or private firms which
would be specified in the RFP. These firms would be DPSUs / OFB / Raksha
Udyog Ratnas (RURs) or any other firm as selected by the DDP. In
addition, Army Base Workshops/Naval Dockyards/Base Repair
Depots of Air Force may also be considered for such purpose at
RFP stage on a case to case basis in consultation with DDP. The
RFP would spell out the specific requirements of ToT for Maintenance
Infrastructure which could cover the production of certain spares,
establishment of base repair facilities including testing facilities and the
provision of spares for the entire life cycle of the equipment. Both the
foreign and the Indian firms would be jointly responsible for providing the
maintenance facilities and support for that equipment.

3. This issues with the approval of Raksha Mantri.
